

## Selected projects in 7th programme cycle

Project ID	Project Title	Implementing Organisation	Country
107010045	Monitoring, targeting & verification tool for RETScreen	CanmetENERGY	India, China, Brazil
107010086	Promotion of modern energy uptake in Uganda: a micro-financing approach	IT Power Eastern Africa	Tanzania, Uganda
107010103	Development of energy consumption quota for Chongqing government agencies in China	China Standard Certification Center (CSC)	China
107010105	CTI's PFAN: Establishment of PFAN Network & Scale Up of Activities in Mozambique & Uganda	International Center for Environmental Technology Transfer	Mozambique, Uganda
107010110	Study on the financing mechanism to promote energy efficiency in existing buildings	Energy Conservation Information Dissemination Center of National Development Reform Commission	China
107010170	Accelerating uptake of GS projects in Brazil, China, India, South Africa: scale-up of local experts	The Gold Standard Foundation	China, Brazil, India, South Africa
107010191	Breaking the risk barrier – unlocking institutional investment for RE/EE in emerging markets	E+Co	China, Brazil, Mexico, India, South Africa, Ethiopia, Tanzania, Uganda, Zambia
107010227	Energy efficiency in metal casting in Southern India	The Energy and Resources Institute	India
107010243	A tool for evaluating RES power plants for SME's industrialized areas and harbours in Mediterranean	E-cube srl	Tunisia
107010262	Development of evaluation criteria for LEDs to support NDRC's Energy Efficiency Policy implementation	National Lighting Test Center	China
107010286	Study on market-based mechanism for large and medium-sized biogas projects operation	EED Consulting	China
107010309	Identifying best practice in policy and regulation in China, Brazil, India and South Africa	Carbon Disclosure Project (CDP)	China, Brazil, India, South Africa
107010325	Legislative framework for wind power in Brazil	Global Wind Energy Council	Brazil
107010338	National initiative for an EE program in the water sector in Lesotho	Econoler International	Lesotho
107010373	Promoting renewable energy and energy efficiency through the regulatory process in India	World Resources Institute	India
107010378	PICs Energy Efficiency, Auditing and Appliance Labelling	SOPAC Secretariat	Marshall Islands, Palau, Samoa, Vanuatu

Project ID	Project Title	Implementing Organisation	Country
107010401	Local energy & development centres in Mozambique	OVE - The Danish Organisation for Sustainable Energy	Mozambique
107010425	RE/EE supply chain outlets in villages of Karnataka	Small Scale Sustainable Infrastructure Development Fund	India
107010507	Development of a model to calculate off-grid electricity tariffs for renewable energy projects	FUNAE - Fundo de Energia	Mozambique
107010512	REEEP RE &EE Status Report on China	Worldwatch Institute	China
107010518	Renewable energy policy for climate change mitigation in Ghana	Energy Commission	Ghana
107010536	Low enthalpy geothermal projects for power generation	Energy Regulation Commission (CRE)	Mexico
107010537	Promoting sustainable finance for renewable energy and energy efficiency projects in China	China Development Bank	China
107010538	"Cornucopia:" hybrid finance for RE in small-scale value-added agriculture	Fiorello H. LaGuardia Foundation	Brazil, Mozambique
107010543	Roadmap for implementation of REC mechanism in India	IREDA Ltd.	India
107010545	Development of an energy policy for the State of Kerala	Energy Management Centre	India
107010546	UNIDO Energy Programme for West Africa	UNIDO	West Africa, Burundi, Chad, Cape Verde
107010547	Lighting Africa 2010 Business Conference and Trade Show	The World Bank	Ethiopia, Lesotho, Malawi, Mozambique, Tanzania, Uganda, Zambia
107030117	RE roadmap to meet 30% of energy demand in China by 2030	Centre for Renewable Energy Development (CRED)	China
107030178	Policy recommendation study for Beijing's 12th Industrial Energy Conservation Five-year Plan	Beijing Energy Conservation & Environmental Protection Centre	China
107030534	National Policy, Strategy and Roadmap Study for China small wind power industry development	Photovoltaic and Wind Power Systems Quality Test Center, Chinese Academy of Sciences	China
107040320	Web-based tools to estimate RE production and GHG reductions from biodigestion of animal waste	Winrock International	Brazil
107040349	Brazil solar water heating and energy efficiency development	USINAZUL Empreendimentos em Energia Renovavel Ltda	Brazil
107040350	Promoting Local Biogas Use for Sustainable Development in Brazil	ICLEI - Local Governments for Sustainability-Latin America and Caribbean Secretariat	Brazil
107040485	Toward the creation of a cap-and-trade market for the Mexican auto industry	Centro de Transporte Sustentable de Mexico	Mexico
107050084	Private-Public Partnership Mezzanine Fund	Equiter S.p.A. - Intesa Sanpaolo	Egypt, Morocco, Tunisia
107050260	ECATS - Energy efficiency cap-and-trade system: designing an institutional framework for Northern Africa	Universita Kore di Enna	Algeria, Tunisia
107060544	Renewable energy policy and climate change mitigation	Worldwatch Institute	China, Brazil, Mexico, India, South Africa
107070161	Combined legislative and financial mechanisms for solar water heater mass rollout	Sustainable Energy Africa (SEA)	South Africa

Project ID	Project Title	Implementing Organisation	Country
107070231	Durban 6.6MW hydroelectric power plant	Lindon Corporation	South Africa
107070515	Namibian energy regulatory framework	Renewable Energy & Energy Efficiency Institute	Namibia
107080101	Women's Energy Justice Network — CDM financing and microlending for appropriate technology	University of Colorado School of Law	India
107080146	Hotel sector energy efficiency	Greenlight Technology Group	Fiji
107080288	Developing innovative microfinance systems to support renewable energy in the Pacific	The Foundation for Development Cooperation	Fiji, Samoa, Vanuatu
107080292	Development of policies, regulations and guidelines for Bangalore Municipality and Development Authority	TERI (The Energy and Resources Institute) University	India
107080365	Increasing EE in Indian SMEs through developing innovative financing and carbon trading mechanisms	Alliance to Save Energy	India
107080423	Development of a fuel barter model for sustainable power generation using biomass in rural areas	DSCL Energy Services Co. Ltd	India
107080526	Replicating linkages between energy services and income generation using innovative financing	SELCO Solar Light Pvt. Ltd.	India
107080557	Tonga - Improving Sustainability through REEEP (TISREEEP)	Ministry of Lands, Survey, Natural Resources & Environment (MLSNRE)	Tonga
